

“Do a Good Turn Daily” first annual Council Wide Service Day

Do a Good Turn Daily is more than just a slogan. Put these words into action on May 1, 2010 by participating in a community clean-up project. On May 1 we want all SRAC Cub Scout, Boy Scout, and Venturer units to get out in their community and “Do a Good Turn.” The idea is simple. Get with a local park, boat ramp, river bank, lake, or any other public recreation area and do at least half a day of clean-up or improvements to the location. Prizes will be awarded to units with the most participation. And, all participating units will receive a “Do a Good Turn for America” flagpole ribbon.

Please confirm your unit’s participation by faxing, emailing, or dropping the registration form off at the Scout Office no later than March 19, 2010. You will also need a unit account on the Good Turn for America website (www.goodturnforamerica.org) to log your participation. If you do not already have an account, please contact Byron Jones at bjones@suwanneeriver.net. For more information contact Joey D’Souza at: (850) 576-4146.
