Accounts are expected to be kept current through out the fee collection period. Accounts beyond 60 days will receive a contact, accounts beyond 120 may be subject to cancellation at the posted refund schedule rate and that spot opened to someone on the waiting list.

Please feel free and don't hesitate to contact the Scoutmasters with any question, concern or situation. It is our desire for the boys to be able to attend and we will work hard for each scout. All kinds of arrangements can be made but we must know about them in advance to maximize the group success.

A limited number of camperships are sometimes available as well as alternate funding sources for extraordinary situations.
