

THE COUNCIL'S PROPERTIES COMMITTEE ASK FOR UNIT'S TO **ADOPT-A-CAMP** AT WALLWOOD.

Please consider investing your energy and resources into this treasured facility and asset of our Council.

Wallwood Scout Reservation was founded in 1966 and has served many scouts over the past 50+ years. However we need your help and support to restore these campsites and training facilities to meet the needs of tomorrow.

We've also scheduled a volunteer Work Day at Wallwood on **Saturday, May 12th, 2018 @ 9am**. If your unit, scouts, or even adults are interested in assisting on these or other days please contact me directly via email ayerforce1@comcast.net or call me 850-408-5420.

We welcome your involvement and input. Thanks for your support of Wallwood & Scouting!

Yours in Scouting,
Bryan Ayers | Vice President, Properties
