Welcome to Wallwood

Our camp lies on a tract of land over 600 acres in size along the shore of Lake Talquin in Gadsden County, Florida and represents the beauty of “real” old Florida with its pristine, rural ecosystems largely untouched by development. The name Wallwood comes from the principal donors of the land, Dr. Charlie K. Wall and his wife Margaret who donated the original 476 acres to the Suwannee River Area Council in 1962. The remainder of the land came from the State of Florida and the Pittman family, whose family cemetery remains on the property near the Fregley Building. Wallwood was dedicated in 1964 with a large ceremony and campout, and summer camp operations began in 1966. As a lake camp, we offer a variety of activities that draw on the beauty and bounty of Lake Talquin including sailing, canoeing, rowing, and multiple forms of fishing!

Our facilities range from tent platforms with canvas wall tents to eight-person cabins. There are plenty of trees available to hammock camp, and every campsite has a covered area with benches! Every campsite also has a campfire pit and plenty of wood for fuel – though you may have to do a little foraging for your own kindling!

This year, we are scheduling Merit Badges a little differently to tap into a wide variety of talent from around our council! By offering the Merit Badges this way, we can invite some special guest Merit Badge counselors to further elevate the level of instruction your Scouts will receive! You Scout should come home with a wealth of new skills and stories under their belt, and hopefully, a desire to come back again next year to relive the excitement of our revamped programming!

More than just Merit Badges and advancement, summer camp is also a time to have fun, build new skills, and make friendships that will last a whole lifetime. With that in mind, we’ve closed the program areas each day at 4 PM to allow for open program time from 4-5 PM in all program areas. This open program time allows Scouts the opportunity to work independently on skills they may need a little extra practice with, complete partials they may have missed, and have fun while finishing up their requirements.

But the real Scout magic starts after 54PM each day with what we’re calling Fun After the Sun! When Merit Badge instruction wraps up, we spend the rest of the day staffing fun activities for the Scouts and Scouters alike. Everything from free shooting to some Cast Iron Chef challenges to Scoutmaster Golf and the infamous Cardboard Canoe Race are free activities that anyone can participate in. In the evening we keep the fun going with events such as the karaoke council ring dance party, ping pong tournament, corn hole tournament, field games like slip and slide kickball, and the ever famous and well-loved Wallwood Marathon.

Wallwood BSR: Resident Camp 2023

Summer camps are such an integral part of the Scouting experience that we have made extraordinary efforts to revamp our program to allow your Scouts to make magical memories that will last a lifetime. We also wanted to take care of the adult leaders by scheduling activities and adventures for them so that next year troops will have no problems finding leaders who are chomping at the bit to get in on the fun themselves! I hope you will come find out why we're #WildAboutWallwood and experience a new era of fun and fellowship in the woods! Feel free to call/text/email me any time with questions as you make plans!

Theme and Special Programs

Wallwood Boy Scout Reservation offers special programs throughout the week to keep the camp experience fresh and exciting for all participants! Your unit's camp experience would not be complete without participating in several of these. The times and events are listed on the Wallwood Boy Scout Reservation Program Schedule.

This year's Theme at Wallwood Boy Scout Reservation will be:

"Trash Panda Returns!"

Fun After Sun

All regular programs end at 4 PM each day to allow for open program opportunities. Scouts can participate in open swimming, boating, rifle shooting, shotgun shooting, fishing, and handicraft.

Scouts should check the dining hall slide show each day for special program openings.

Trading Post Hours

Trading Post will be open every day from 11:30am - 1:30 pm and 4:00pm - 8:00pm. Come get your Wallwood themed gear! The Trading Post carries t-shirts, memorabilia, and useful items for Summer Camp. The Trading Post also serves bottled water, Gatorade, limited Pepsi brand soda, and Shaved Ice desserts.

Knife Policy: Anyone participating in an activity at Wallwood Boy Scout Reservation is welcome to carry a folding pocketknife with a blade less than 3.5" that requires two hands to open it (along with their Tot'n Chip).

Scouts wishing to purchase any kind of knife from the Trading Post may only do so with the Scoutmaster or parent present. The identified unit leader may keep possession of the knife while on camp property.

Museum Hours

Have you ever wondered how scouting in Suwannee River Area Council started? Do you have a passion for patches, memorabilia, and nostalgia? Drop by the SRAC Museum conveniently located on the back of the Trading Post building to browse our history. Museum will be open at the below hours:

Tues: 1:00pm - 4:00pm

Wed: 1:00pm - 7:30pm

Thurs: 9:00am - 4:00pm

Twilight Activities

After supper is when camp catches its second wind and Scouts can make some memories. Many of our program areas will have scheduled unique twilight activities during the week. Here is a partial list of activities offered.

- Open swimming (including Troop swims)
- Open boating (canoe, kayak, sailing)
- Cardboard canoe Sink-A-Thon
- Open fishing
- Open shooting (including Thursday night Scoutmaster shotgun shoot)
- Pop-up Scout Museum and patch trading
- Branding
- Ice Cream social
- Star Gazing
- Staff organized tournaments for chess, ping pong, gaga ball, and basketball
- Self-organized games of ping pong, corn hole, four square, gaga ball, basketball, ultimate Frisbee, and horseshoes

Camp-wide Campfire

There will be a camp-wide campfire on Sunday, Wednesday, and Friday evenings. The staff will run the opening campfire on Sunday. The OA will run the campfire on Wednesday evening which will conclude with OA Call Out. The closing campfire will be put on by the units with the assistance of the staff.

Aqua Carnival

Monday night will have the Pool area open for unique games and events!

Scoutmaster Belly Flop/Youth Cannonball: Celebrity staff judges will rank both adult and youth alike on their water entry skills. Extra points will be given for pizzazz and gumption, as well as splash, form, and the ever sought after "ouch factor."

Tuesday Night Staff Hunt

This event is where the staff will hide and scouts will look for them, the troop who finds the most staff will win a prize. Staff are given a playing card to sign with a sharpie and give to the scouts who find them. The "value" of the card doesn't matter, it is just a matter of which troop gets the most cards. The event will last an hour and a half and will be after the free swim on Thursday. Scouts will meet at the flag poles to start and will return to the flag poles to tally up cards after the time is up.

Council Ring Party

Tuesday nights from 8-10 PM we keep the fun going with a rocking party. This features karaoke which usually evolves into a hilarious throwback of old songs and some terrible dancing.

Wednesday Night Family Night Program

As Wednesday is our hump day of the week, we have a special program planned for camp-wide fun. The evening starts in the parade field for the Wallwood-a-ree. This is our troop-based field day that is a new annual tradition at Wallwood. Our staff organizes a giant round robin style of events with activities all happening simultaneously. This event is an excellent way to show off for families visiting their Scouts and to get ready for the Wednesday Campfire program and OA Call out where newly elected OA inductees are recognized. Please note: the camp does not provide Wednesday nights meal – the Order of the Arrow will be on site to run their “Roadkill Grill” where you may purchase dinner items or please make arrangements for your visiting parents to bring dinner for your Troop.

Waterfront Cardboard Canoe Sink-A-Thon

Earlier in the week, troops will be given cardboard, duct tape, and not much else and are told to help their scoutmaster float in the lake for as long as possible! Scouts are encouraged to come and cheer on their team.

Awards

Wallwood Boy Scout Reservation offers additional awards for those patrols, units, and individuals that put out an extra effort while they are at camp. We will have a robust awards program at the closing campfire on Friday evening to recognize troops, individual Scouts and Scouters as well as staff for various activities and achievements throughout the week. Be sure to keep an eye out for your favorite staffer to let them know how special they made your camp experience – and feel free to be creative in how your unit chooses to recognize them!

Chief Nea-Math-La Award

Troops will be given the opportunity to earn the Chief Nea-Math-La Award which is the Wallwood Boy Scout Reservation Honor Troop Award. To receive this award, the Troop must meet 8 of the 10 requirements. To qualify, the Troop must submit the completed form to the Program Director by noon on Friday. The awards will be presented at the Friday night campfire.

OA Campfire/Pow Wow

Order of the Arrow Purpose

The Order of the Arrow is Scouting's national honor society. It recognizes those campers who best exemplify the Scout Oath and Law in their daily lives and by such recognition, cause other campers to conduct themselves in such a manner as to warrant similar recognition, to promote camping, and to crystallize the habit of helpfulness as a life purpose. Each unit with qualified Scouts is urged to hold an election during the spring. You select the date and place of the election as unit leader. An assigned election team from the Order of the Arrow will be on hand to conduct the election.

Youth Eligibility

To become a member, a youth must be a registered member of a Scouts BSA unit and hold First Class rank. The youth must have experienced 15 days and nights of camping during the two years before their election. The 15 days and nights must include one, but no more than one, long-term camp consisting of six consecutive days and five nights of resident camping, approved and under the auspices and standards of the Boy Scouts of America. The balance of the camping must be overnight, weekend, or other short-term camps. Scouts are elected to the Order by their fellow troop members, following approval by the Scoutmaster.

Call Out Ceremony

The OA Call-Out ceremony is conducted each Wednesday night. It is a memorable ceremony for all newly elected Scouts as well as guests. This ceremony will be held at the traditional Wednesday Night Campfire. Non-council units must have a copy of their unit election report as well as a letter from their home lodge stating it is OK for their Scouts to be called out by Semialachee Lodge. The forms and letters must be turned into the camp office by noon on Monday.

Campfire Pow Wow

After the Call-Out ceremony on Wednesday night, a special ceremony will be held at the Cherokee Ring to honor our native ancestors and the land in which we live. Please plan to join us for an authentic Pow Wow featuring drum, dance, and singing! You'll leave this activity with a better understanding and appreciation of the history in which we all are a part.

Leader Opportunities

Scout Leader Fun Time

During the week we schedule fun activities for the leaders so they can enjoy some of the same program areas that the Scouts do. In addition, any of our free time activities are open to adults in camp so you can enjoy all the fun Wallwood has to offer.

Camp is also a great place for adult leaders to enjoy activities, relax, and take part in adult sized fun. During the week adult leaders may participate in:

- **Scoutmaster Shotgun**
- **Scoutmaster Golf/Rifle**
- **Scoutmaster Cook Off**
- **Scoutmaster Belly Flop**
- **Scoutmaster Cardboard Canoe Sink**

We also ask that adults with specialized skills such as plumbing, electrical, carpentry and medical expertise identify themselves when entering camp for volunteer opportunities around camp. There are many projects around camp, and we would be happy to have your help!

Scoutmaster Coffee

The best part of waking up (at Wallwood), is Java preparing your cup (of coffee)! Join the early risers at 6:30AM to commiserate and enjoy a cup with your fellow Scoutmasters and leaders!

Scoutmaster Meetings

At 8:30AM each morning we gather in the dining hall to distribute information, receive feedback, and enjoy fellowship with our fellow Scouters. This is an excellent time to make suggestions and ask any questions. At least one leader per troop should attend these informative gatherings. The meeting time gets shorter as the week progresses.

Scoutmaster Shoot-out

On Tuesday and Thursday afternoons leaders will have the chance to showcase their skills at three events! Golf, Rifle, and Shotgun. One leader per unit can compete in each event. The same leader does not have to compete in all three events. The winner of each shoot-off receives an award at the closing campfire.

Shotgun Hunters:

Come up to the shotgun range Tuesday to see how your shooting skills match up!

Rifle Sharpshooters:

See who is the keenest of eye and surest of aim as we fire off on Thursday afternoon.

Golf Spectacular:

Show your stuff on the Wallwood Links Golf Course. Each leader can use one or more clubs that they have made while at camp. With racquetballs used as golf balls, it is a no holds barred fun filled course of fellowship and wonderful competition on the beautiful Wallwood Links. Plan to have your custom club ready for this Thursday evening event!

Wallwood BSR: Resident Camp 2023

Scoutmaster Cook Off

There are 3 options, main course, dessert, or side dish. Main course can be a breakfast or dinner dish. There is no limit as to how many entries per troop. Stop by the Dining Hall to sign up by 5:30 PM Thursday afternoon. Leaders bring their dish to the Dining Hall on Friday afternoon at 4:30 PM to be judged by our esteemed panel of camp culinary experts. If needed, you can bring your coal ready Dutch oven to the Dining Hall at 4:00 PM where you can cook it at the outdoor grill area. Charcoal can be provided, if necessary, but troops are on their own to provide ingredients and their own Dutch ovens. Winners are announced at closing campfire.

Scoutmaster Belly Flop

In this high-flying competition, unit leaders will compete to create the biggest splash in the beautiful, crisp and clean Wallwood Pool Complex! Funny props/costumes are allowed. Competitors will be scored on technique, style and the size of the splash created. Whether you're competing or spectating, you won't want to miss this event!

Scoutmaster Cardboard Canoe Sink

Watch as the hilarity ensues while Scoutmasters and Scouts compete to see who lasts the longest in these duct tape vessels. Make sure to bring your units to cheer you on!

Scoutmaster Merit Badge

Leaders get to complete a variety of tasks to earn the Wallwood Scoutmaster Merit Badge. While it is a fun award to earn, the goal behind the program is to help each adult in camp also experience personal growth and skill development to help them become a better leader for the Scouts in their troop or crew. Please see the Scoutmaster Merit Badge check-sheet for complete details.

Leader's Appreciation

Tuesday, we host a Leader's Appreciation Dinner. This is our opportunity to acknowledge your commitment to your Scouts and to thank you for spending a week with us at camp. The meal is held in the Dining Hall at 6PM on Tuesday. All leaders from each troop are invited to come while camp staff will host a pizza party for the rest of camp at the Council Ring while the adult leaders relax with the Leadership of the Suwannee River Area Council in the cool air conditioning.

In-Camp Information & Communication

Pre-camp Zoom Meeting—The camper leadership will schedule a Zoom meeting the week before summer camp starts. The call will include the Camp Director, Program Director, Camp Commissioner, and Staff Advisor. During the Zoom the team will review many important notes regarding your week at camp focused on check-in and what to expect. This pre-camp Zoom is also an excellent opportunity to get your questions answered. **Join us by Zoom on June 7th at 7 PM** – we're super excited to see you then!

Leader's Meeting

It is important that unit leaders attend the daily Leader Meetings to learn important information, participate in discussions, and hear announcements. Appropriate visiting times include meals, campfires, and evening program. We ask that Scouts are not pulled out of Merit Badge classes and programs are not disrupted; our Scouts are here to learn and have fun.

Golf Carts

If you need to have access to a golf cart and wish to bring your own, you need to make arrangements for the appropriate training, fire extinguishers, and first aid kits through the Camp Staff Advisor and Camp Range prior to bringing your golf cart to camp.
