

FAMILY FRIENDS OF SCOUTING PLEDGE FORM

Each year, the Suwannee River Area Council, Boy Scouts of America spends approximately \$350 per Scout to provide a quality Scouting program. To help keep our the cost of Scouting as low as possible, making it more available to all youth, our Council has chosen not to charge it's members the full amount permitted, therefore additional funds are needed from businesses and individuals who support Scouting's values.

Your child's membership fee supports the National operations of the BSA. A pack or troop's fund raising efforts supports your scout's unit. If you can help the Council meet its costs for one or more youth to be Scouts, please complete the form below and turn it in now. Please complete the form even if you do not plan to contribute. A committee has been recruited to call parents for whom we do not have a form.

Your support is needed and will be appreciated. The Council provides the support (training, recruiting, camps, camperships for underprivileged youth, etc.) to make it possible for nearly 1,300 youth to be Scouts in our area.
