What is Specific Assistance?

The Suwannee River Area Council has created Specific Assistance as a way to provide Scouting programs to youth and adults who otherwise can't afford it. Funding is provided from sources such as The Friends of Scouting Fundraising Campaign, Popcorn Sale, and the Camp Card Sale.

Specific Assistance is available to provide funding assistance to youth and adult Scouters for:

- BSA Youth Handbook
- BSA Field Uniform
- Registration Fees (BSA Membership Fee & Council Program Fee)
- Camperships in the Suwannee River Area Council
- Adult and Youth Training in the Suwannee River Area Council

When completing the request form, it is expected that the family will pay as much as possible for the need, with the Scout's Charter Partner and Scouting Unit being consulted as well.

To be eligible, the applicant's unit must have participated, or will participate, in the following:

- Camp Card Sale
- Popcorn Sale
- Family Friends of Scouting Presentation

Due to limited funds, Specific Assistance is unavailable for:

- National High Adventure Bases
- National or World Jamboree
- Non-Suwannee River Area Council activities and camps
- Needs based on multiple children in the Scouting program (i.e.- older son is going to Philmont, younger son requests Specific Assistance for Wallwood Resident Camp)

A request for Specific Assistance may be made by a parent or a Scout's unit leader, and must be approved by the Chartered Organization Representative, District Executive, and Scout Executive. Requests are generally approved within 5 business days of receipt at the Suwannee River Area Council Service Center.

Specific Assistance forms are available at the Suwannee River Area Council Service Center and from your District Executive. For additional information please contact your District Executive or the Scout Executive.
