2022 Boy Scout Golden Eagle Dinner

Tuesday, May 24th

Dunlap Champion's Club

6:00 pm Reception/7:00 pm Dinner

What is the Boy Scout Golden Eagle Event?

The Golden Eagle Event is the single largest annual fundraising event that fuels the Scouting program in Leon County. It brings together business, civic and political leaders of our community to share Scouting's impact on youth. It also affords Scouting the opportunity to honor great community leaders for their service. This year's Honorees are Congressmen Al Lawson and Lawton & Beth Langford.

Who's going to attend the Golden Eagle Event?

Last year, more than 250 community leaders attended the Golden Eagle Dinner. The effort is led and organized by a team of volunteers. This team helps identify and recruit corporate sponsors, volunteers, event attendees and donors. The co-chairs for the 2022 event are Rick Grant, Senator Bill Montford, and Ben Watkins.

How much does it cost to attend the Golden Eagle Event?

There is no ticket cost to attend the Golden Eagle Event. All attendees will be asked to consider a pledge based on their history of giving with the Boy Scouts. If they have no history, they will be asked to consider a pledge of at least \$250. Pledges can be paid at once, semi-annually, monthly or quarterly.

What's the goal?

The goal of the 2022 Boy Scout Golden Eagle Event is to raise \$200,000 for Scouting. The Suwannee River Area Council serves 13 counties, including Leon, Gadsden, Wakulla, Liberty, Franklin, Jefferson, Madison, Taylor, Seminole, Decatur, Grady, Thomas, and Colquitt.

What does the fundraising accomplish?

Scouting serves over 1,100 youth throughout our area, as well as over 500 registered volunteers. Since our last Golden Eagle Event, 41 young men & women earned the rank of Eagle Scout, and over 20,000 pounds of food was collected during our Scouting for Food drive.

Thank you for making Scouting stronger in our communities!
